EDUCATION

Marathwada Mitra Mandal College of Engineering Pune
Bachelor of Computer Engineering June 2024
C.G.P.A. : 8.67

Sri Sri Ravishankar VidyaMandir Jr. College Dharashiv February 2020
HSC Score: 74%

Chhatrapati Shivaji High School Dharashiv March 2018
SSC Score: 95.40%

EXPERIENCE

October 2024 - Current
Arrow Electronics India Pvt. Ltd. - Bengluru, IN
Apprentice
Skills & Technologies Learned During Apprenticeship
Database Technologies: DBMS, Oracle E-Business Suite (EBS), Oracle SQL, Oracle PL/SQL
Development & Deployment Tools: Bitbucket, TortoiseGit, FlexDeploy, Oracle SQL Developer IDE
ERP & Automation: Oracle Concurrent Programs
Gained hands-on exposure to database design, querying, PL/SQL programming, version control, and deployment workflows within enterprise environments.

PROJECTS

- Online Project Management application**
- Developed a web-based project management application using React.js, Node.js with Express, and MongoDB (Mongoose).
 - Implemented user authentication, project creation, and management features. Utilized Tailwind CSS and Material-UI for responsive and modern UI components.
 - Developed and integrated JWT-based authentication in a MERN stack application, ensuring secure login and session management.
- Ecommerce application**
- Frontend: Implemented a responsive and dynamic user interface using React.js with modern libraries like Material-UI (MUI), Ant Design (antd), and Tailwind CSS. Managed navigation and routing with React Router DOM.
 - Backend: Built RESTful APIs using Express.js on Node.js, ensuring efficient data handling and communication between the frontend and backend
 - Database: designed and managed data models with MongoDB, leveraging Mongoose for schema validation, data relationships, and query building

SKILLS

- HTML5
 - CSS
 - JavaScript
 - Express.js
 - MongoDB
 - Node.js
 - Tailwind CSS
 - Material UI
 - Next.js
 - MERN Stack
- NoSQL databases
 - Redux Toolkit
 - Rest API
 - Python
 - Object-oriented programming
 - Database management
 - Oracle PL/SQL programming
 - Oracle SQL
 - Version control(Github,BitBucket)
 - Deployment workflows
 - SQL programming
